

TBEKY5209
Seed Packet Rattle
Pack: 4

Delightful John Deere teething rattle concept features 3 "seed packs" on an easy-to-grasp ring. Each seed pack has a different texture and durometer for baby's teething options. Two different distinct sounds and 1 teething surface will amuse baby when she/he discovers her/his biting activates the sound.

TBEKLC25100
Teething Key Ring
Pack: 6

Features basic first toy play pattern. Keys swing freely and deliver a clanking sound. Easy grasp ring that clips to carrier bar, stroller and diaper bag.

TBEKLC25101
Teethable Keys
Pack: 4

Pretend keys like mom's and dad's complete with motion activated keys and remote. Key-less remote teaches cause and effect by rewarding baby's touch with sounds and phrases. Look like real keys - keys feature hard and soft teething surfaces for teething discomfort.

TBEKY5208
Massaging Corn Teether
Pack: 6

The corn teether has double benefits for baby: gentle vibrations from the corn cob will soothe the gums, and by activating the massage mechanism when she/he bites, baby begins to learn cause and effect.

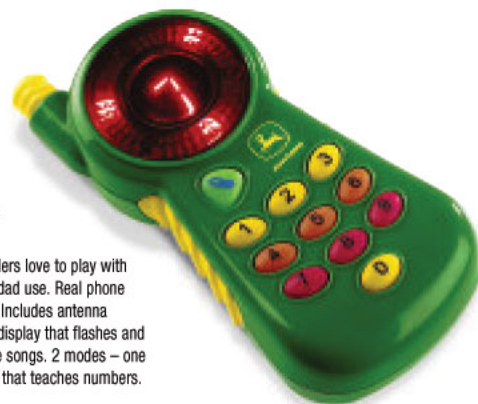

TBEKY5211
Animal Sounds Teether
Pack: 6

Easy to grasp handles with rattle sounds and movable beads, along with sound-activated pig and duck, will amuse baby as well as soothe sore gums.

TBEKLC25102
Infant Cell Phone
Pack: 4

Pretend phone - toddlers love to play with things that mom and dad use. Real phone delivers pretend play. Includes antenna teether, large lighted display that flashes and plays 3 nursery rhyme songs. 2 modes - one for play and a second that teaches numbers.

TBEKY5207 Mini Farm Pals
Assortment
Pack: 3

Cuddly plush John Deere characters are suitable for play from birth and up. As baby learns cause and effect, she/he will find delight in the farm tunes that play when she/he presses the Mini Farm Pals stomach.
