

We are proud to introduce our NEW Case IH 50 State Tractor Series Program that will be produced from 2009 to 2011. To commemorate the importance and diversity of farming in the United States, ERTL will present this highly collectible line of diecast replicas that celebrate the importance of each and every state as they relate to farming. Each release represents the type of farming that occurs in each specific state.

Other Features Include:

- All die cast construction
- Individual state tampo
- Unique collector card that highlights state farming facts
- Numbered releases
- Four new states released every quarter
- Blister carded
- Randomly insterted chase units identifying the state capitol

Example

State Tractor with State Tampo
